

Cor Fheile Report for 1st, 2nd & 3rd classes

March 5th 2013

1. *Spoonful of Sugar* (from Mary Poppins)

Exciting, fun singing. You had the audience joining in, that's because they were enjoying your singing so much. Great accuracy of rhythm and words.

Super interpretation.

2. *Baidin Fheidhlimidh*

Excellent start. Focla an soilear (words very clear). A great choice of song and a good contrast to the first song.

3. *I wanna sing scat*

A great song and I loved your interpretation. Good actions.

A really enjoyable performance...so rhythmic. I loved it!

Lovely sensitive piano accompaniment. Congratulations a mhuinteoiri (congratulations to the teachers). An-Mhaith (very good).
