

Cor Fheile Report for 4th, 5th & 6th classes

March 4th 2013

1. *Let it be* (The Beatles)

What a lovely picture you paint on the stage-lovely smiling faces and all eyes on your conductor.

Good clear diction and you got the story across so very well.

Nice sweet tone throughout with excellent tone quality and intonation.

2. *Mo Ghile Mear*

Nice contrast here agus bhi an Gaeilge go soleir agaibh (your Irish was very clear).

Good intonation.

Lovely tone quality and you really told the story.

3. *Dancing Queen* (Abba)

You obviously enjoy this song! Good expression and phrasing and again good, clear diction throughout. Good balance here too. There was a nice build up in this song and your actions at the end brought it to a good climax! You had the full attention of the audience.

Congratulations and very well done!
