Change of date for Annual School Sports Day St. Brigid's Primary School/St. Mary's BNS

Dear Parents,

We have to change the date for our annual **Sports' Day**. It will now be on **Thursday, May 24th** (instead of Friday, May 25th). It will be held in Herbert Park, with the usual team games, inflatables and fun activities. In May we will send you details of all the arrangements for this great family day out.

FAQs

1. Why have you changed the date?

As you are probably aware, the government has called a referendum for Friday, May 25th. St. Mary's BNS and St. Brigid's Primary School will be closed as the school is being used as a polling station.

2. The Sports Day is in the park so why is the polling station a problem?

If we have to cancel the sports due to bad weather, we have a normal school day. It is important that we can use the schools if this happens, so we don't miss a school day unnecessarily.

We apologise for any inconvenience this causes but it is outside of our control.

Yours faithfully,

Annemarie Hogan
