

Baltinglass
(Outdoor Adventures)
By Nela and Aisling

Excited, waiting for the moment to come,
ready for all the fantastic fun.

Looking around for the tallest tree,
wondering what I can see.

Climbing the rock climbing wall,
wondering if I will fall.

Canoeing up and down the stream,
the boat capsizing as I scream.

As I try to hit the target,
an archery teacher giving me a smelly jacket.

Looking up at the sky,
will I ever say GOODBYE.
