Applications for secondary school places.

It is never too early to apply for a place in secondary school for your children. Pupils who are currently in 1st class upwards should definitely have submitted applications to secondary school by now. There are a large number of schools from which to choose the one that suits your child best. You can search for secondary schools by postal code on [www.schooldays.ie](http://www schooldays.ie) or on www.education.ie

Reminders about Security and Safety

- For the safety of the children, please remember never to drive into the church grounds and not to cycle inside the school gates.
- Park carefully and watch out for children crossing the roads behind cars especially.
- Dogs are not allowed inside the school gates.
- The front door must never be left open so always pull it firmly behind you.
- After 9.00am, please go to the office if you need to give something to your child. If you need to take your child out of school early, go to the office where you will be asked to sign your child out and the secretary will phone the classroom for your child.
