(N.B: if referendum is called for May 22nd, the Sports Day will be on May 21st)

Remember that there is an Event Calendar on our school website!

Lá Uisce: Water Day

Our Green School Committee is working hard on the issue of WATER this year. This involves raising awareness of the importance of water in our lives, water usage and wastage and water conservation measures.

The children will be doing water-related activities on Wednesday, February 18th and are asked to come to school dressed in blue and white for this special occasion!

Thank you to Ms Saunders and her hard-working Green School Committee of representatives from each class.

Traffic and Parking.

We understand that parking is difficult in the area around the school but request that everybody parks carefully and safely. Do not park on the double yellow lines, on the cones or in front of the gate.

Remember also not to cycle bikes inside the school gates to avoid injury to children.

School Charity for this year

Now that LauraLynn is firmly established and has some big sponsorships organised, we have decided to focus our charitable efforts this year on **Bumbleance**. This is a great Irish organisation which aims to provide child-friendly ambulances for children with long-term illnesses or disabilities. The ambulances are specially designed and equipped for children.

For more information and videos, please see www.bumbleance.com

Our first fundraiser for **Bumbleance** will be Green Day....more information to follow.

Payments for books, photocopies, art supplies etc.

Most parents have now completed payments for their children's books etc and we thank you for that. If you have forgotten to pay please do so as soon as possible; you can download the Expenses Form for your child from our website or get one from the office. The cost is €65 for Junior and Senior Infants and €75 for 1st-6th class pupils.

On behalf of the teachers and myself here in St Brigid's, we wish you all a good midterm break on Thursday and Friday and we look forward to another half term's work before the Easter break.

Annemarie Hogan
