Fundraising Events this term

Many of you will have noticed the fast progress on the demolition of the old school. Diggers are now busy excavating in preparation for the ground works. The project is on target and should be ready for us to move into by September 2017.

Thank you to everyone who has contributed to our fundraising events to date, to the organising teams from both St Brigid's and St Mary's Schools, to people who baked or donated cakes, to parents for dressing up their children in green, to the fundraising committee for behind-the-scenes work and to everyone who is working so enthusiastically on our fundraising plans.

We've got three main events this term and are hoping for your support.

Tuesday, April 26th at 7.30pm:

We are thrilled to present a very special musical event featuring Mary Black, Paul Harrington, Bill Shanley, Paddy Sherlock and more, and which will be compered by Joe Duffy. Tickets for this event are €25 and are available now....an event not to be missed!

Monday, June 6th:

We have had great enthusiasm for parents and friends for participation in the Dublin Women's Mini Marathon. This event is being co-ordinated from the school side by Petra, Jennifer and Dympna.

Sunday, June 26th:

The annual Parish BBQ will be a fundraising event for the new school. We are very grateful to the parish for granting us this opportunity. This event is an opportunity to finish the school year with an afternoon of fun, music and good food. More details to follow!
